The Elden Ring is a fantasy action RPG developed by e-amers and the AI Incubation Labs Lab based on the concept of a “netizen” in the Lands Between, the fabled world between the real world and a parallel virtual world. The protagonist is “Tarnished,” a young man who suddenly finds himself in the Lands Between due to the disturbance of the parallel virtual

world. The game world of the Lands Between is vast and full of things to do and enjoy. This expansive and exciting world is filled with original characters and monsters, and a high level of content and volume are provided through regular updates. Key Features • A Vast World with Huge Dungeons • Hand-drawn Animation with Smooth Characters • Free-Style Battles and Active Action Control • Plenty of Characters to Play • A Scenario with an Epic Drama • Deeply Customizable Character and Item • Easy Battle with a Variety of Enemies and Challenges Experience the world of the Lands Between through the eyes of Tarnished. Rise as an Elden Lord and become a hero in this epic fantasy adventure. The world in which you are free to explore is vast, and there are countless mysterious creatures and locations for you to discover. You can purchase and equip three classes: Warrior, Wizard, and Valkyrie. Enhance your class by equipping four new weapons in battle: Sword, Hammer, Bow, and Staff. Enhance your class by equipping four new armor for your body, and enchant your equipment with new magic. Enhance your class by choosing three class skills to become even stronger. Complete quests to earn experience and obtain new equipment. Strategize with the rest of the team and defeat opponents to win victory points. Revise your strategy and choose your next action in real-time. In addition to multiplayer mode, you can enjoy a unique non-

online feature, where you can experience what it would be like to play alone with a second digital avatar. Use your mouse to control your character while using the touchpad to control your actions.
