Welcome to the Tarnished Lands, the lands between the two worlds, where a forgotten history, forgotten emotions, and forgotten dreams live on. Land where a humanoid race known as the Elden called beyond the Gate of Creation have passed into myth and legend. They were a noble race, among the first to cross the Gate. Now, a reenactment to reclaim the glory and immortal soul of this once glorious civilization has begun. By forging a new existence, the Tarnished race are restoring the fallen kingdom. The Tarnished race, mercilessly taunted by the Tribunal, are now setting out to uncover the truth. Our story begins here. ■ **Story** The world where fate intertwines with destiny, where our own desires and emotions live side by side with the hardships imposed by fate. This is the world of Elden, the four-edged lands between the two worlds. We are Fizzbin, the Tarnished, a noble race which was once called the Elden. We now make our final stand against the actions of the Tribunal, a league of warring factions with superior resources. However, we know that our fall will be like that of a leaf, swept away in the winds. We will fall and disappear in the world that we have built with our own hands. And as such, we will cast away what lies within us and stand as the pride of the Great City. ■ **Online Multiplayer** You can play with friends in the same room with a variety of game modes:

- **Multiplayer Online Battle that Includes a Variety of Characters** You can choose one of the game's protagonists, and fight together with others. If you are good enough to defeat them, you can turn your opponent into your ally.

Kanata- "Greetings! I will be reviewing "Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.". What I was expecting: I was expecting an online RPG that had a good graphics of an intricate 3D with a lot of imagination and various characters to play around which made me expect more im sure. But the game has some game play that are supposed to be really hard and I am like really ahwell if this is gonna be the hard game play then i might as well just join a walkthrough or a top youtube channel of the game to get used to it. Then after I will stop saying that this game is hard when I am playing it with a top youtube channel. This is not my opinion but of other people comments, so the story isn't that interesting and the game play isn't great because it's a very repetitive game. Why I play "Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between." I need to get away from this game because I'm just not having fun and I don't want to play it anymore. What I didn't like: I'm not sure if there's something that I didn't like but I was really out of my mind off of killing things. I'm not sure if the game play was fun but that's it. I don't want to play this game anymore I don't know why but I don't want to play it anymore it's time for me to log off and stop playing this game it's time to play something else like a game from the start like an assassin creed 2 or a game like crysis 2 or something like that. Why do I play "Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.". Summary: The game play wasn't that fun and the game I expected wasn't what it was made out to be. So I'm not really liking this game. I felt like I was playing a walkthrough to get used to the game play. There was no story and i couldn't even get into it. The game play was just to repetitive. Go to game's page: bff6bb2d33

You may have noticed that in this update, there are a few new characters, or simply new skin colors for existing characters. Also in this update, there are slight changes on the game mode “Invasion”. You might have already noticed that in the update, some characters in the game (our recurring characters, of course) got a new updated look. Not only that, but now, you can even change their colors to suit your taste. For example, Will from the previous game can be colored pink if you want it to be. There is also a new event where you can challenge the Rise of an Evil Organization to become the top 10 invaders, and you can do so by changing a character💎
