The interview was taped in the late 90s for the Marcus Nasty Raw and Daphne was surprised to learn she was in the final running for the title. Marcus already knew this, but was surprised when he saw some footage from the shoot and was very impressed. He was in the studio ready to tape a photo shoot when it happened. I had to see her to know that nothing was alright in her life. I had to know I was not the only man she cheated on. And I had to know that I could never be that man. I pulled her out of the house kicking. I pulled her out of the pool soaked with her own tears. I pulled her out of the bedroom and pulled her into my arms. I pulled her out of school. I pulled her out of traffic. I pulled her out of her life. I pulled her out of her world. And you know what. The good ones save the best for last. I pulled her back into my life with a kiss. A long kiss. We kissed. We made out. We kept kissing. We touched. We kissed and touched. We kissed and touched and kissed and touched and kissed and kissed 6d1f23a050
